2:30pm Session

40 years – 43 years teams
Presentations

FRIDAY 8TH NOVEMBER

9am Session

44 years – 49 years teams
Presentations

3:00pm Session

39 years and under teams
Presentations

MESSAGE FROM ACF

To our fabulous Calisthenics Masters Competitors,

Welcome to the 2024 Pan Pacific Masters Games Calisthenics competition! It is with great pleasure and pride that I extend my warmest greetings to you. Your dedication, passion, and commitment to the sport of calisthenics is truly inspiring.

The PPMG is a celebration of not only your calisthenics skills, but also the spirit of camaraderie and sportsmanship that defines our community. Whether you are a seasoned competitor or participating for the first time, your presence here contributes to the vibrant and inclusive atmosphere that we cherish.

As you take to the stage, remember that every performance is a testament to your hard work and perseverance. Embrace the opportunity to showcase your skills, connect with fellow competitors, and create lasting memories. Your efforts and achievements are a source of inspiration for all of us in the calisthenics family.

On behalf of the ACF Board, I would also like to extend my heartfelt thanks to Di Treagus, Anita Roser, and all the volunteers who have worked tirelessly to make this event possible. Your dedication ensures that we can come together to celebrate our shared love for calisthenics.

Best of luck to all competitors! May your performances be filled with heart, passion, and joy.

Kerry Sargent
Chair

Australian Calisthenic Federation

ADJUDICATORS

LEAH KELLAWAY

Leah began calisthenics at age 3 in South Australia where she competed from Tinies through to Seniors and completed her Level 1 coaching course before moving to Queensland in 1997.

Leah has represented South Australia and Queensland as a competitor for both graceful solos and state teams. She has coached Intermediate and Senior teams and soloists to represent Queensland at National Calisthenics competitions. She has also coached Queensland teams who have competed at Royal South Street in Ballarat.

Leah has been involved with Rosemore Calisthenics for many years. Her favourite items to choreograph are Graceful solos, Aesthetics and Clubs.

Leah completed her adjudicator cadetship in 2017.

Leah has a passion for animal welfare and the human/animal connection and is currently the Head of Program Delivery for Happy Paws Happy Hearts.

DI LUKEY

Di commenced calisthenics at the age of 5 at St Marks Calisthenics and competed there for 25 years. Her coaching career began in 1990 at Karrington CC, advancing through divisions. Di then commenced coaching St Mark's CC Seniors from 1996 for 12 years - taking them from Div 9 to Div.1. She also successfully coached their Junior teams. In 2007, Di started mentor coaching at Avonde CC, working with most sections in the championship division until 2020. She also coached a non-competitive team with Jill Goss for over 10 years. Di has held various roles for CV including State team assistant coach and mentor, and Level 1 coordinator to name a few.

Since the inclusion of Master's sections in Calisthenics, Di has adjudicated most divisions in both solos and teamwork. She appreciates the talent on stage and the clever arrangements from the coaches. Di also appreciates the hard work from the competitors and the enjoyment they show when performing on stage.

During her 15 years of adjudicating, Di has adjudicated many times interstate, as well as many country competitions in both solos and teams in all age groups. She thoroughly enjoys working with interstate adjudicators at State Championships all over Australia. It is a highlight of her adjudicating career and working on panels is such a great experience.

Di has held numerous positions on ASCA Victoria committee, including her current cadet coordinator position.

Di loves all that calisthenics brings to her life: music, joy, performance, costumes, designing, creating and adjudicating. She loves it all.

ADJUDICATORS

GAYE PARKER

Gaye has been involved in the wonderful sport of Calisthenics since 1961. She started as a Sub-Junior and continued through to Seniors as a pupil at club level. Gaye also represented WA in State Junior and Senior teams. She commenced coaching as an assistant and qualified as a coach in 1975. Gaye has coached Sub Junior through to Senior teams at club level and as a WA State Team coach. She has also coached graceful solos, solos and duos at club and National level.

Gaye is an Advanced Level 2 Adjudicator and has been adjudicating since 1979. She has adjudicated in most states and at Nationals five times. Gaye was an examiner with the Pupil Skills Programme for many years until family commitments took priority.

Gaye is currently the treasurer of ASCA WA Branch and has held that position for twelve years. Prior to that Gaye has also held the role of Vice President and Secretary. Gaye is a mentor for WA coaches and the co-ordinator and instigator of the CAWA Mentor Programme. She hopes to give back to the sport she loves through her adjudicating and mentoring advice.

Gaye would like to wish all teams and individual competitors all the very best for their upcoming performances.

ADJUDICATORS

LISA VETTESE

Calisthenics has always been a major part of Lisa's life. She commenced her calisthenic career at the age of two following in the footsteps of her mother and grandmother. During her years as a pupil, she was chosen for many championship state teams in all age groups. Coached by her mother, she won all South Australian State Graceful Titles and in 1979, she won the prestigious Ballarat "Most Graceful Physical Culture Girl", as did her mother in 1957, making them the first mother and daughter winners.

Lisa is a Level 2 Coach and has been coaching for over 45 years with much success in all age groups at the top level in State/Ballarat/National Competitions. In 2012, she was a coach and a competitor in the Inaugural Pan Pacific Masters on the Gold Coast and took and competed in teams in 2016 and 2018 both being very successful.

Having started her adjudicating in 1980, she is a Level 2 Advanced Adjudicator and a member of the AAB. She has taken on many roles including President and has adjudicated all age groups and aspects of calisthenics in South Australia and Interstate. Outside calisthenics, Lisa and her family run a cafe franchise. She also spent many years studying gymnastics, piano, jazz, tap and ballet.

Lisa is fortunate to share her passion with her daughter who, for most of her life, has been a competitor and a coach as well as her granddaughter who has begun her calisthenic career. Together their love for calisthenics continues to strengthen.
