EXPRESSIONS OF INTEREST NOW OPEN FOR THE INAUGURAL ACF SENIOR CLUB CARNIVAL

ACF are thrilled to invite all Australian Senior Club Teams to be part of a landmark moment in Australian Calisthenics.

This event marks an exciting new chapter for Calisthenics in Australia — an opportunity to bring senior clubs from across the country together in a national celebration of performance, teamwork, and community.

In line with the ACF's purpose — More People, More Ways, Calisthenics Everywhere — Expressions of Interest (EOIs) will open to all senior clubs registered with the State Calisthenics Association, including CaliVic. The aim of the event is to create more opportunities for participants to connect through their shared love of Calisthenics and to showcase the strength and creativity of our community.

"The Senior Club Carnival will highlight the incredible talent across our clubs and reinforce what makes Calisthenics unique — our unity, creativity, and collaboration,"
said Megan Taylor, ACF National Operations Manager.

"By welcoming all senior clubs to express their interest, we're focusing on growth, inclusion, and celebrating the sport we all care about, together."

The ACF National Senior Club Team competition will pilot a three-tier benchmarking framework, and welcome up to eight clubs per Tier, inclusive of both first and second teams. All clubs will compete under ACF event rules, policies and standards. Victorian clubs will enter under a non-member arrangement and pay the \$20 participant levy.

Expressions of Interest (EOIs) - a critical first step in the competition entry process - will open 9:00am Monday 17 November, 2025.

EOIs are scheduled to close 5pm AEDT, Friday 28 November 2025 - however ACF reserves the right to close the EOI period if capacity becomes oversubscribed.

Please read the [ACF SENIOR CLUB TEAM CARNIVAL INFORMATION BOOKLET](#) prior to completing your EOI. It contains comprehensive event information, including key dates, EOI and entry processes, Tier structure and benchmarking details, and the Conditions of Entry.
