

NATIONALS 2027

Guidelines

WELCOME TO NATIONALS 2027

Welcome to ACF Nationals 2027 — a week that unites our national Calisthenics community. Canberra will come alive as we gather for a vibrant celebration of performance excellence, enriching participation, and the shared pride that defines our sport.

Location | Canberra Theatre Centre
Dates | Monday 5 – Saturday 10 July 2027

States will bring their best to the national stage for two flagship events — the National Team Championships and the National SDG Titles. We can't wait to welcome you there.

VISION

Uniting States through fair, transparent and inclusive national competition.

VALUES

Collaboration | Unity & Meaningful Participation

Respect | Inclusive & Fair Pathways

Accountability | Transparency & Integrity

Excellence | Competitive Parity

NATIONALS 2027 OVERVIEW

WELCOME TO NATIONALS 2027

Two years in the making, Nationals 2027 marks a major milestone for our sport and showcases the full strength, pride and performance of our national community.

Nationals 2027 brings together two cornerstone events of the ACF National Competition & Event Framework (NCEF) — the National Team Championships and the National SDG Titles — in one united national event. From Monday 5 to Saturday 10 July 2027, competitors from every State will converge on the Canberra Theatre Centre for a week of outstanding performance, State representation and unforgettable competition.

These Guidelines provide all event-specific information required to support States in preparing for entry. They are designed to equip

States with clear, practical details to enable informed decision-making, including key dates, basic venue information, competition structure, Tier and entry information, and the Conditions of Entry. This is everything you need to commence your State Team preparation with confidence.

Full Technical Information — including stage specifications, lighting details, stage dressing, and other production requirements — will be released in October 2026, ensuring coaches and States have complete operational clarity as they head into their Nationals training phase.

ACF is proud to launch Nationals 2027 alongside these Guidelines. We invite all States to review them carefully as we prepare together for an exceptional national event in 2027

NATIONALS WEEK IN A GLANCE

A family-friendly schedule is central to Nationals 2027. Competition sessions will run by age-group blocks to minimise time away for participants and families. Within each block, our aim is for Team Championships to run first, followed by the SDG Titles, supporting streamlined logistics for States. The exception is the Senior Team Championships, which will close the event on Saturday 10 July.

A provisional schedule is outlined below. A more fulsome schedule will be published early in 2027 after official Team entries close

KEY DATES

DATE	WHAT?	WHERE?
Wednesday 30 September 2026*	State Eligibility & Selection Procedures for Emerald Tier submission to SRC	Email to NCEF Lead **
Wednesday 30 September 2026	Pre-Registration Closes	via RevSport **
Monday 26 October 2026	Team Submission & Technical Guidelines Release	
Monday 30 November 2026	Team Entry Registration Opens	via myStage
Monday 21 December 2026	Team Entry Registration Closes	via myStage
	Team Competitor Under-18 Media Consent forms due (via RevSport)	via RevSport **

CANBERRA THEATRE CENTRE

VENUE INFORMATION

The Playhouse

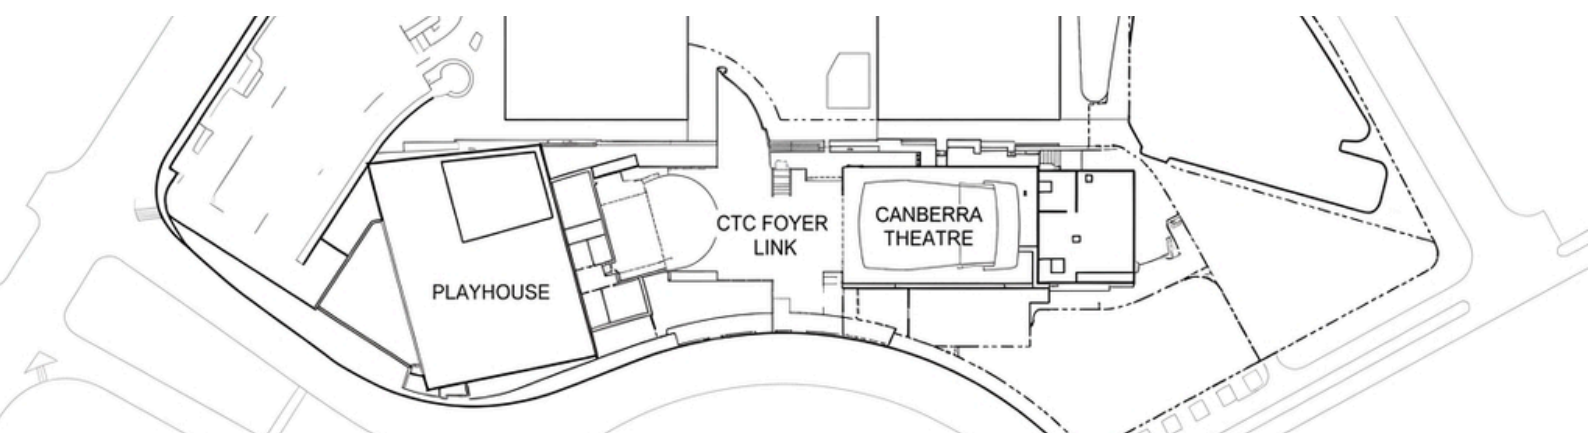

Canberra Theatre

Canberra Theatre Centre is ACT's premier performing arts venue, located in Civic Square in the heart of Canberra's city centre. It comprises two full production theatre spaces under one roof: the 1,239-seat Canberra Theatre, built to accommodate large-scale lyric and touring productions, and The Playhouse, a 614-seat proscenium theatre. This makes it the perfect venue for Nationals 2027, allowing our two events — the ACF National Team Championships and National SDG Titles — to run under the one roof, reducing logistical burdens and delivering a genuine one-stop Nationals hub for states, participants and their supporters.

Its central location is within easy walking distance of hotels, apartments, restaurants, cafes, supermarkets and retail, meaning everything needed for a multi-day national event is accessible on foot, cutting transport costs and logistical complexity for interstate visitors. Combined with the venue's proven track record hosting large-scale productions and calisthenics events, and its two-stage capacity to run concurrent programming, Canberra Theatre Centre offers a single, walkable, city-centre precinct capable of delivering Nationals 2027 at the standard the event demands.

Full technical details of the venues, including the preset lighting menu, will be supplied in the Technical Guidelines (see Key Dates). A State Team Manager meeting will also be scheduled for early 2027

GENERAL THEATRE INFORMATION

- Lighting:**
- A specified preset lighting package will be used for the competition.
 - Available lighting presets will be included in the Technical Guidelines.

- Dressing Rooms:**
- A combination of small and ensemble dressing rooms.
 - Competitors with specific dressing room requirements to advise ACF through Entry Registration and Team / Competitor Submissions.

CANBERRA THEATRE

- Stage:**
- Working Area Dimensions:
 - Back Tab in - 9.2m deep (front of stage to back tab) X 12 metres wide.
 - Back Tab out - 10.2m deep (front of stage to cyc) X 12 metres wide
 - Space between back tab and cyc - 1m deep
 - Curtains - house curtain, mid tab, back tab, and cyclorama
 - Digital Light Projection (DLP): available – projected to cyclorama
 - Full technical details will be included in the Technical Guidelines

- Sections:**
- All Teams & selected SDG sections (to be finalized after entries close)

THE PLAYHOUSE

- Stage:**
- Working Area Dimensions:
 - Back Tab in - 9m deep (house curtain to back tab) X 10.5 metres wide.
 - Back Tab out - 10m deep (house curtain to cyc) X 10.5 metres wide
 - Space between back tab and cyc - 1m deep
 - Curtains - house curtain, back tab, and cyclorama
 - Digital Light Projection (DLP): available – projected to cyclorama
 - Full technical details will be included in the Technical Guidelines

- Sections:**
- Selected SDG sections (to be finalized after entries close)

RULES & ADJUDICATION

ACF NATIONAL RULES & REGULATIONS

ACF Rules & Regulations apply to all National 2027 competition events. States and coaches are responsible for working from the current version of the ACF Rules and Regulations. State-specific rules, variations or flexible rule interpretations will not be recognised.

ADJUDICATION

All sections are adjudicated by a panel of three adjudicators in accordance with ACF rules, adjudication processes and critique sheets. Points on a 10–1 scale are assigned to each adjudicator's top-10 rankings (1st = 10 pts through to 10th = 1 pt). Combined points from all three adjudicators determine the final result. Points will not be announced at presentations; awards will be announced as 1st Place, 2nd Place, 3rd Place, etc., with equal placings awarded in the event of a tie.

NATIONAL TEAM CHAMPIONSHIPS

INTRODUCTION

The ACF National Team Championships are Australia's premier State Representative team competition for Sub-Junior to Senior age groups. The Championships operate through two distinct competition tiers providing clear progression, transparent eligibility, and equitable

participation opportunities across all States. The National Team Championships balances tradition with innovation, preserving the prestige of elite competition while expanding opportunities for growth, mentoring, and long-term national development.

Tiers & Age-Groups: Diamond Tier | Sub-Juniors to Seniors – the elite national team competition Tier
Emerald Tier | Sub-Juniors to Intermediates – Tier to nurture the next generation

Eligibility: All State Team competitors must be registered with their State Calisthenics Association.

Rules: ACF National Rules & Regulations – Minimal Rules

Items – All Age-Groups: Figure March | Club Swinging | Rod Exercises | Free Exercises

**Items - Age-Group
Specific**

Sub-Juniors: Aesthetic | Song & Dance

Juniors: Aesthetic | Dance Arrangement

Intermediates: Rhythmical Aesthetic | Calisthenics Revue

Seniors: Rhythmical Aesthetic | Dance Arrangement

Stage Dressing: Choice of 3 Items

- Lighting:**
- Maximum of 10 cues per item
 - Final cue (cue 10) must be blackout
 - Preset is by default a blackout

Entry Fees: Entry fees must be paid in full at the time of entry registration, via credit card. Please note that the competition management platform may apply a credit card surcharge. Failure to complete payment at the time of registration—including any applicable non-ACF member levy—will result in the entry being declined.

All entry fees are non-refundable.

- \$90 per item

Arafura Senor Rhythmical Aesthetic NT ACC25

TEAM TIERS

The National Team Championships 2027 is a two-tier structure that provides a competition model that strengthens competitive parity between States, increases participation opportunities, and establishes a national progression pathway.

DIAMOND TIER

Diamond Tier is the elite national team competition for Sub-Juniors through to Seniors. It embraces the long-standing traditions of the ACF National Team Championships and showcases State's highest-calibre performers and most experienced coaches. It serves as:

- The national benchmark for excellence in choreography, technique, and performance quality
- A high-performance environment for advanced technical and artistic work
- A pathway for elite-level coaching development
- A representative platform where Representative State Teams ensure every State can field its strongest possible team, regardless of club distribution or population size.

EMERALD TIER

Emerald Tier is a purpose-built environment designed for Sub-Juniors to Intermediates to nurture the next generation of national-level competitors and coaches. It supports:

- States building a strong talent base, where depth is still developing or elite numbers fluctuate
- Competitors developing skills and performance capacity who benefit from national exposure without elite competition pressure
- Coaches building experience and methodology, including those stepping into leadership roles or working under mentor coaches

TEAM TIER GUIDING PRINCIPLES

The following principles underpin how the two-Tier Team competition structure operates:

- States choose the Tier that is appropriate for their team, guided by the Tier descriptions above.
- At least three participating States are required for a Tier to proceed within in age-group.
- States with larger participant pools draw Emerald Tier representatives from lower divisions, or from development-stream participants within higher divisions. This ensures participation reflects genuine developmental pathways and supports competitive parity.
- To support nationally consistent Tier allocation and confidence in competitive parity, States share their selection and eligibility processes, via the NCEF State Representative Council (SRC), before publishing or commencing any State-based selection activity for the Team Championships.

NATIONAL SDG TITLES

INTRODUCTION

The ACF National Solo, Duo & Graceful (SDG) Titles are Australia's premier national SDG event for Sub-Juniors to Seniors. Entry is via a State Representative model supported by a three-Tier grading structure that delivers clear, transparent eligibility and nationally aligned standards. Carefully managed State-based variations ensure competitive parity and maintain the integrity of the national pathway.

Tier Structure:	TIER	ITEMS	AGE-GROUPS	ENTRIES / STATE TIER
	Diamond	- Graceful Solo - Calisthenics Solo - Calisthenics Duo	Sub-Junior to Senior	5 per age-group, per item
	Ruby	- Graceful Solo - Calisthenics Solo	Sub-Junior to Senior	5 per age-group, per item
	Emerald	- Graceful Solo - Calisthenics Solo	Sub-Junior to Senior	5 per age-group, per item

- Eligibility:
- All competitors must be registered with their State Calisthenics Association.
 - All competitors must hold the required ACF Skills Level (as per ACF Rules & Regulations), or the agreed CaliExam equivalent for CaliVic competitors, for their age as at 31 December in the competition year. This Skills Level must be attained by the close of entry to the ACF Titles competition.

Rules: ACF National Rules & Regulations

- Lighting:
- Maximum of 10 cues per item
 - Final cue (cue 10) must be blackout
 - Preset is by default a blackout

- Entry Fees: Entry fees must be paid in full at the time of entry registration, via credit card. Please note that the competition management platform may apply a credit card surcharge. Failure to complete payment at the time of registration—including any applicable non-ACF member levy—will result in the entry being declined. All entry fees are non-refundable.
- \$90 for solo items, \$180 for duo items

TITLES TIERS

The National SDG Titles 2027 has a three-Tier competition structure that groups competitors according to grading, experience, and performance readiness. Each State has a maximum of 5 entries per age-group tier, per item. The three-Tiers are:

DIAMOND TIER

National Titles Diamond Tier continues the long-standing purpose of the traditional National SDG competition: showcasing each State's highest-performing competitors from Sub-Juniors to Seniors. This Tier supports:

- Recognition and rewarding of excellence at State level
- A clear national high-performance pathway for State Champions
- Strengthening of the sport's national identity and performance standards

RUBY TIER

Ruby Tier provides a competitive environment for strong performers for Sub-Juniors to Seniors. This Tier supports:

- High-quality competition for competitors performing at strong State levels
- High-performance participation pathway

EMERALD TIER

Emerald Tier is for competitors in lower divisions for Sub-Juniors to Seniors. It provides:

- Appropriate competitive grouping that reflects competitor's current grading and experience
- A positive, confidence-building national experience
- A clear entry point into the national system, supporting retention and long-term development.

TIER ALLOCATION & GRADING

National SDG Titles grading is determined by aligning each State's own grading system to the national Tier structure. The State Grading Alignment and Tier Allocation Table below provides clear, nationally consistent guidance on how State-based grading systems correspond to Titles Tiers, ensuring transparent and equitable placement of competitors across the national pathway.

A competitor's Tier allocation is determined by their grading for each item from the most recent State competition season. Competitors without a current State grading must apply to be graded by the ACF Grading Committee prior to entry. Each State is responsible for ensuring its grading records are accurate, complete, and up to date.

STATE GRADING ALIGNMENT & TIER ALLOCATION TABLE

DIAMOND TIER	RUBY TIER	EMERALD TIER
CaliACT Championship Division	CaliACT Championship Division	CaliACT Division 1 & below
NSW Championship Division	NSW Championship Division	NSW Championship & Division 1
NTCA Highest Division	NTCA Highest Division	NTCA Highest Division
CQ Open Division	CQ Open Division	CQ Division 1 & below
CASA Championship Division	CASA Championship & Division 1	CASA Division 2 & below
CAWA Championship Division	CAWA Championship & Division 1	CAWA Division 2 & below
CaliVic Open Division	CaliVic Open, Open Reserve & Div 1	CaliVic Division 2 & below

STATE TIER ALLOCATION VARIATIONS

The State Tier Allocation Variations provide States the opportunity to move competitors from the National Title Diamond Tier to another more appropriate Tier. Who may be moved, which Tier they may move to, and the conditions for movement are outlined in the table below.

Key rules for State Tier Allocation Variations:

- State Tier Allocation Variation may only be initiated and endorsed by the State Association. Coaches, competitors, parents, or clubs cannot approach the ACF directly.
- Any eligible movement is automatically accepted once submitted by the State.
- States cannot reassign a vacated National Titles Diamond Tier place.
- Moving a competitor into another Tier via a State Tier Allocation Variation counts toward the State's cap for that Tier.
- Variation requests from SA, WA, and CaliVic are assessed at the discretion of the ACF Grading Committee, and all decisions are final.

STATE	STATE TIER ALLOCATION VARIATIONS
CaliACT & CQ	State may elect to enter 4th & 5th ranked National Title selections into Ruby Tier
CNSW & NTCA	State may elect to enter competitors in any Tier
CASA, CAWA & CaliVic	State may request the re-grading of its 5th-ranked National Title selection into the Ruby Tier.

SDG TIER GUIDING PRINCIPLE

To support nationally consistent Tier allocation and confidence in competitive parity, States share their selection and eligibility processes, via the NCEF State Representative Council (SRC), before publishing or commencing any State-based selection activity for the National SDG Titles.

CALIBILITIES

INTRODUCTION

The Nationals 2027 CaliBilities section sits outside the Team Championships and SDG Titles tiered competition structures as defined above. The ACF is progressing CaliBilities as a key component of the national Participation Strategy, alongside the reform work underway across the Coach & Official programs and the broader NCEF.

For Nationals 2027, the ACF will continue to offer non-competitive CaliBilities sections within both the National Team Championships and the National SDG Titles.

Entries for CaliBilities will open in line with the entry timelines for Nationals 2027, ensuring States can plan and submit all entries through a single, aligned process.

Pre-registration and official entry requirements outlined above apply equally to CaliBilities entries. States will be able to nominate CaliBilities teams and SDG participants through the same pre-registration and entry channels used for all other national competition divisions.

Molly P CaliBilities Graceful Solo SA ACC25

Emily N & Scarlett C CaliBilities DUO SA ACC25

Bridgett D & Kate H CaliBilities DUO SA ACC25

NATIONALS 2027 ENTRY

CONDITIONS OF ENTRY

The following Nationals 2027 Conditions of Entry outline the eligibility, compliance, and operational requirements for participation in the National Team Championships & the National SDG Titles 2027. States must review, acknowledge, and adhere to these conditions to ensure a fair, safe, and well-managed event. Entries will not be accepted by ACF without these formal acknowledgments and consents.

For the purpose of these Conditions of Entry, the definition of participants include:

- Competing performers (and their legal caregivers if under-18 years of age)
- Coaches and coaching staff
- State & Team management
- State & Team support staff and volunteers

By submitting a Pre-Registration and completing Entry Registrations for the National Team Championships and National SDG Titles, each State confirms that all participants have been clearly informed of the Conditions of Entry and that those participants (or their legal caregivers, for entrants under 18) acknowledge and consent.

States are responsible for collecting and storing these acknowledgements before any participant accepts a role (e.g., competitors at trial registration; coaches and support staff at contract or sign-on). ACF does not collect these acknowledgements, but States must retain records in case verification is required. To assist with this process, the Nationals 2027 State Toolkit contains a Condition of Entry Acknowledgement Form as well as an explanation of the General Conditions of Entry for participants in the FAQ sheets.

For specific questions regarding the Conditions of Entry please contact

jodie.appletone@calisthenicsaustralia.com.au

UNDER 18-MEDIA USE CONSENT

States must also acknowledge that they have advised under-18 participants and their legal caregivers of the ADDITIONAL Media Use Consent requirements as set out below. Caregivers (and participants between the ages of 12 and 17 years) must submit the Media Consent Form to ACF prior to the close of competition entries (see Key Dates, Section 3 for more information). Media Consent is collected via RevSport no later than close of entries (see Key Dates). [\[Link to Under-18 Media Consent Form\]](#)

SAFEGUARDING COMPLIANCE

States further acknowledge that all personnel who require backstage access – including coaches, team management and support, backstage support and volunteers - have been advised that they must hold a current working with vulnerable people (WWVP) card or working with children check as per State of origin requirements. They must also have completed the Safeguarding Children and Young People in Sport Induction delivered by Sport Integrity Australia (SIA) ([accessible through the SIA website](#)) within the last 12 months.

Personnel for both National Teams and Titles competitions must complete the Nationals 2027 Personnel Safeguarding Compliance Form in RevSport no later than Monday 8 June 2027 (see Key Dates). Backstage passes will only be issued once this form has been submitted and verified. Compliance with the Safeguarding requirements is a prerequisite for backstage access. [[Link to Safeguarding Compliance Form.](#)]

General Conditions of Entry:

- All States and participants acknowledge and accept that calisthenics competition involves inherent physical, logistical, and environmental risks.
- ACF will take all reasonable steps to provide a safe and well-managed event; however, ACF accepts no liability for injury, loss, damage, or disruption arising from participation in the event, except where required by law.
- It is the responsibility of each State to ensure appropriate insurance coverage, risk management practices, and supervision are in place.
- Participation in the events constitutes acceptance of these terms and confirmation that all individuals involved understand and assume the associated risks.
- States are required to share their eligibility and selection procedures for the National Team Championship Emerald Tier and their National SDG Title selections with the ACF and all States via the NCEF State Representative Council (SRC) prior to publishing or commencing any State-based selection activity for the National Team Championships. This practice supports a transparent and unified national view of grading and decision-making, enabling stakeholders to clearly understand how State determinations translate into national Tier allocation. This shared visibility also strengthens confidence across States that the Tier structure is applied consistently and that competitive parity is upheld nationally (see Key Dates for more information).

ACF National Integrity & Safeguarding:

- All States and participants acknowledge that they have read the [ACF National Integrity Framework policies](#), including the [ACF NIF Safeguarding Children & Young People Policy](#), and understand and agree to the integrity expectations that apply to them.
- To receive backstage/dressing-room access, all personnel—including coaching staff, team management, support staff, and volunteers—must:
 - Provide proof of their current WWCC/WWVP registration (as required in their jurisdiction), and
 - Complete the free SIA Safeguarding Children & Young People Induction ([accessed via SIA EDGE](#)) prior to the event.

ACF Policies & Rules:

- All States and participants agree to uphold the [ACF Code of Conduct](#), the [ACF Competitions Inclusions Guidelines](#), and the ACF Rules & Regulations.

All States and participants acknowledge and consent to the following Media Use:

Media Acknowledgement CLAUSE 1:	General Photography & Videography - ACF to take photographs and videos of participants during competitions and associated events. These images and videos may be used for promotional materials, including social media, website content, and printed publications - and training and development purposes for participant and team improvement. - All photography and videography will abide by the ACF NIF Safeguarding Children & Young People Policy, and: - Be taken by ACF-appointed accredited photographers or authorised personnel with a valid Working with Children Check (WWCC). - Be taken only in appropriate sporting contexts. - Never be taken in changing rooms, bathrooms, or other private areas. - Present the participant in a dignified and respectful manner, without misrepresentation of the individual, situation, context, or location. - Be stored securely and deleted when no longer required.
Media Acknowledgement CLAUSE 2:	Publication of Names - The participant's first name and surname initial to be published on ACF social media platforms for the purpose of recognising competition place-getters (e.g. results, awards); and - The participant's full name to be printed in the official event program.
Media Acknowledgement CLAUSE 3:	Live Streaming - Participant to appear in livestreamed footage of competition sessions and award ceremonies; - Understand livestream footage is broadcast in real time and cannot be withdrawn or removed once broadcast; and - Understand withdrawal of consent after competition has commenced cannot prevent capture in already-broadcast footage.
Media Use Opt-Out (Safeguarding Grounds Only)	- As media consent forms part of the competition's Conditions of Entry, opt-out is available only where there is a genuine and documented safeguarding reason. Acceptable grounds for opt-out include: family violence or active safety orders; court-ordered non-publication requirements; active child protection matters; witness protection or equivalent arrangements; any other situation where public identification of the participant may place them at genuine risk of harm; and cultural or community safety considerations (e.g. kinship care, protected identities). - Opt-out for safeguarding grounds must be submitted via the State Association. ACF will acknowledge all opt-out notifications and will confirm in writing whether the nominated grounds are accepted. ACF reserves the right to request supporting information where legally permissible. - For genuine safeguarding reasons, ACF will work with the State and the parent/guardian to find an appropriate solution, having regard to the participant's safety and best interests.
Right to Withdraw Consent	- As media consent forms part of the competition's Conditions of Entry, withdrawal of consent may affect eligibility to participate in the event. - Previously published materials, including livestream footage, social media posts, and printed programs, may not be able to be removed or recalled once publicly distributed.

Applecross SNRS Dance Arrangement WA ACC25

NATIONAL 2027 ENTRY PROCESS

To complete a valid entry, States must:

- Complete all entry information as required in myStage
- Complete payment in full
- Accept the ACF Conditions of Entry, National Integrity Framework, and Media acknowledgements

ENTRY FEES

- \$90 per team item, calisthenic solo & graceful solo
- \$180 per calisthenics duo

PAYMENT CONDITIONS

- Entry fee payment is required in full at time of entry
- Credit card payment only (MyStage surcharge may apply)
- All entry fees are non-refundable
- Unpaid or incomplete entries will be declined

NATIONAL TEAM CHAMPIONSHIP ENTRY

TEAM PRE-REGISTRATION

Pre-Registration provides an early, high-level indication of the teams States expect to field. It does not commit your State but rather supports transparent communication across States regarding section viability, enables ACF to confirm event logistics, and forms the foundation for scheduling, venue allocation and resourcing.

By submitting Pre-Registration, you agree to the Conditions of Entry outlined in these guidelines. Pre-Registration closes Wednesday 30 September 2026 and is the first step toward official State Team entry. To complete your Pre-Registration, click here [\[Link to Pre-Registration Form\]](#).

TEAM OFFICIAL ENTRY REGISTRATION

Official entry registration for National Team Championships will open Monday 30 November 2026 via myStage. Entries will close on Monday 21 December 2026.

To complete a valid entry, States must:

- Enter nominated team items and items (Team 1 and Team 2, where applicable)
- Confirm the applicable Tier you will be entering
- Complete payment in full
- Accept the ACF Conditions of Entry and Acknowledgements

Important Notes

Your State must have a valid myStage profile to complete entry. The State name in your myStage profile must exactly match the name ACF has entered into myStage. If the names do not match, myStage will not recognise your State as eligible, and you will be unable to proceed. If this occurs, please contact ACF immediately at acfevents@calisthenicsaustralia.com.au for assistance.

- | | |
|---|--|
| • Calisthenics ACT | • Calisthenics Association of South Australia |
| • Calisthenics NSW | • Calisthenics Victoria |
| • Northern Territory Calisthenics Association | • Calisthenics Association of Western Australia. |
| • Calisthenics Queensland. | |

If you are unfamiliar with myStage, "How To" guides are available via the "?" button at the top of the myStage page menu. myStage support is also available at info@mystage.net.au.

NATIONAL SDG TITLES ENTRY

PRE-REGISTRATION

States are also asked to include SDG estimates in Pre-Registration. Again, this does not commit your State but rather gives ACF an indicative idea of SDG numbers to support scheduling, venue allocation and resourcing.

SDG Pre-Registration is completed at the same time as Team pre-registration and closes Wednesday 30 September 2026 To complete your Pre-Registration, click here [\[Link to Pre-Registration Form\]](#).

TITLES OFFICIAL ENTRY REGISTRATION

Official entry registration for National SDG Titles will open via myStage Monday 12 April 2027 and close on Monday 7 June 2027 (NOTE: States are required to submit their SDG entry list prior to this date on Monday 31 May - see Key Dates).

To complete a valid entry, SDG Participants must individually:

- Enter the SDG participant in the correct item (Graceful Solo, Calisthenics Solo, Calisthenic Duo)
- Confirm the Titles Tier your State has allocated to you
- Complete payment in full
- Accept the ACF Conditions of Entry and Acknowledgements

SDG competitors must have a valid myStage profile to complete their entry. If you do not have a profile, please visit the myStage website to create one. If you are unfamiliar with myStage, "How To" guides are available via the "?" button at the top of the myStage page menu. myStage support is also available at info@mystage.net.au.
